

# MSU Backup Dependent Care

## Student Parent Resource Center

Student Parent Resource Center  
MICHIGAN STATE UNIVERSITY

### Are you a student parent?

Have you had to miss days from classes or work because your regular childcare provider was unavailable? Emergency back-up care for MSU student parents is available!

#### The following services are available:

- MSU students are able to use five days of emergency back-up care per child in the family, per year
- Allotment of days are renewed on an academic calendar basis, starting Fall semester each year
- The service is free of charge
- A child must be free of communicable disease and capable of participating in regularly planned activities
- Space can be reserved up to two weeks in advanced
