

# Student Parents on a Mission

MSU Registered Student Organization

*“Striving for Success”*

Thank you for your interest in Student Parents on a Mission (SPOM)! To participate, simply complete the attached registration form (including the \$30/semester or \$45/year dues) and mail it to the address listed below. Once your form is received you will be added to our email listserv and membership database.

The Student Parent Resource Center (SPRC) serves as the advisor to SPOM. The office supports the group by providing free childcare and meals for SPOM meetings and sponsoring some SPOM activities. The staff also support students individually. They welcome your input and are concerned about your success as a MSU student and as a parent. They have a variety of resources, childcare grant information, provide free pre-finals childcare, and advocate on behalf of MSU families.

The email listserv is used to notify SPOM members of upcoming meetings, activities and other resources that are available to you as a student with a child. As a member, you are welcome to share information you are aware of or ask questions that fellow students with children may be able to answer! The email address for the listserv is [stupar@list.msu.edu](mailto:stupar@list.msu.edu).

The SPOM website is <http://studentparents.msu.edu/student-parents-on-mission/>. At the website, you will find a calendar of events, executive board meeting minutes, photos from past events, a merchandise store, and other resources! The ID and password for the online membership roster will be emailed to you after your application has been processed.

Creating a support network takes time and effort. SPOM and SPRC try to help you with that by providing meetings and activities where families can meet and become friends over time. By reaching out to someone, both of you benefit. Support can be in the form of trading babysitting, listening when someone is having a difficult time, or getting together to relax and take a break from all of your responsibilities. Children benefit from these relationships too!

If you have any ideas on how SPOM or the SPRC can help, please contact the SPOM executive board or a Family Resource Center staff person!
